Re: The Cannons Engineering Corporation site in Bridgewater,
Massachusetts, hereinafter referred to as the Site

Dear Sir or Madam:

This letter is to notify you of potential liability which your company has or may have incurred with respect to the above-referenced Site, to request your voluntary participation in undertaking cleanup activities at the Site, to request that you make restitution by payment of the costs incurred by the United States in response actions at the Site, and to request that you provide information concerning your company's involvement with the Site.

NOTICE OF POTENTIAL LIABILITY
AND REQUEST FOR PARTICIPATION IN CLEANUP ACTIVITIES

The United States Environmental Protection Agency (EPA) has documented the release and threatened release of hazardous substances, pollutants and contaminants at the above-referenced Site. EPA has spent and is considering spending public funds on actions to investigate and control such releases or threatened releases at the Site. Unless EPA determines that a responsible party will properly perform such actions, EPA will itself perform these actions pursuant to Section 104 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, 42 U.S.C. 9601 et seq. (CERCLA), as amended by the Superfund Amendments and Reauthorization Act, Pub. L. No. 99-499 (October 17, 1986) (SARA).
